## **I. BIOGRAPHICAL SKETCH**

Mr. Metoyer is a Construction Consultant. His expertise includes project planning, scheduling, estimating, cost control, and schedule delay impact analysis. He is a recognized consultant in construction management, critical path method scheduling and analysis, and delay and damage calculations. Mr. Metoyer's professional education is in Urban and Regional Planning, with a Bachelor of Urban and Regional Planning from California Polytechnic University, Pomona, in 2005.

Mr. Metoyer started his career in 2004 as an intern at a Construction Management Firm, working on private and public work contracts in California. After completing his degree, Mr. Metoyer was hired as a full time consultant. From 2005 to present he has worked at a scheduling and management consultant on various private and public work contracts in the State of California.

## **II. WORK EXPERIENCE**

Mr. Metoyer has been active in project planning, execution, analysis, and monitoring of multi-million dollar projects. He has been responsible for Critical Path Scheduling, Progress Updating, Time Extension Analysis, Research, Analysis of Project Documentation, As-Built Schedule Preparation, Preparation and Claim Analysis for expert opinions. Mr. Metoyer has represented Ownerships, General Contractors, and Subcontractors. Highlighted project experiences are as follows:
